**ORDER NO. 4
DENYING EXTENSION AND REQUESTING CLARIFICATION**

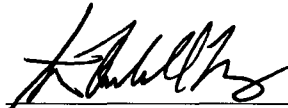

This Order addresses the request for an extension filed by Commission Staff on December 30, 2019. Commission Staff requests additional time to continue to review the application.

Commission Staff's request states that Order No. 3 set a deadline of December 30, 2019 for the filing of a supplemental recommendation on administrative completeness, and seeks a 30-day extension of this deadline. Under Order No. 3, however, the December 30, 2019 deadline was for the applicant to cure application deficiencies. Order No. 3 set a deadline of January 30, 2020 for Commission Staff to file a supplemental recommendation on administrative completeness and to propose a procedural schedule.

Because the extension appears to have been requested in error, the administrative law judge denies the request at this time. In the event that Commission Staff requires extension of the January 30, 2020 deadline, Commission Staff is requested to file a statement of clarification.

Signed at Austin, Texas the 3rd day of January 2020.
