Re: Docket No. 49879, Landowners Request to be Excluded from the requested area known as Swift WSC CCN Amendment Area A

We request to be excluded from the Proposed "Swift WSC CCN Amendment A" (Docket No. 49879). Our property consists of 378 +/- acres tree farm in the Miguel Galan Survey A-226. The legal description of the tracts is enclosed. One tract is 356.5 +/- acres and the contiguous tract is 21.57 +/- acres. Respectively the Appraisal District Parcels ID numbers are 8844 or 8845 and 8837 or 8838.

Our ("Opt out") request includes a map and legal descriptions of the Tree Farm Area in the Miguel Galan Survey. It would create a financial hardship to pay MUD taxes on a tree farm. There are no improvements and no one is living on the property.

Sincerely yours,

William T. Hunt
