RE: Project No. 49902 - Application of Roadrunner Solar Project, LLC for a Power Generation Company Registration

RECOMMENDATION

On August 27, 2019 Roadrunner Solar Project, LLC (Roadrunner Solar or the Company) filed an application to register as a new power generation (PGC) company pursuant to 16 Texas Administrative Code (TAC) § 25.109. The facility being registered as a PGC is Roadrunner Solar Project, LLC.

After a review of Roadrunner Solar's registration request, Staff has concluded that the applicant has satisfactorily completed the registration requirements under 16 TAC § 25.109(e) by providing a description of the location of the facility used to generate electricity; a description of the types of services provided by the person that pertain to the generation of electricity; and all information requested on the Commission-prescribed form. An oath or affirmation signed by an owner, partner, or officer of the registering party was included with the application pursuant to 16 TAC § 25.109(f).

Therefore, Staff recommends that Roadrunner Solar Project, LLC's registration request be granted and Commission records be revised to reflect the registration.
