PUBLIC UTILITY COMMISSION  
OFFICE OF TEXAS  
FILING CLERK

**ORDER NO. 6  
GRANTING AQUA TEXAS' MOTION TO WITHDRAW**

In Order No. 6 filed on December 5, 2019, the undersigned administrative law judge certified to the Commission a question relevant to determining which law applies to the petition at issue in this proceeding. That certified question is due to be considered by the Commission at its meeting to be held tomorrow, January 16, 2020.

Aqua Texas, Inc. is an intervenor in this case. By motion filed today, Aqua Texas seeks leave to withdraw from this case, explaining that the parties have reached a settlement. Aqua Texas also takes the position that its withdrawal renders the certified question moot.

Aqua Texas' motion to withdraw is granted, and the utility is no longer a party in this case. The withdrawal does not, however, render the certified question moot. A ruling on the certified question is still necessary in order to determine which version of the law governs the petition.

Signed at Austin, Texas the 15<sup>th</sup> day of January 2020.
