Re: Docket No. 49926; *Application of Crystal Clear Special Utility District for Sewer Certificate of Convenience and Necessity in Comal, Hays, and Guadalupe Counties*

Dear Judge Leary:

MCLB Land, LLC ("MCLB") filed a Motion to Intervene in the above-referenced docket on February 11, 2020 prior to the deadline to intervene on February 21, 2020. As urged in its motion, MCLB is an affected person with standing to intervene in this CCN matter because it has specifically sought sewer service from applicant Crystal Clear SUD and MCLB and Crystal Clear SUD are co-applicants for a TPDES permit which would authorize wastewater discharges from MCLB's development. Thus MCLB, with its approximately 400 planned homes, has a unique interest in the issuance of the pending application. MCLB respectfully reurges its February 11, 2020 Motion to Intervene and asks for a ruling from the ALJ.

Thank you for your consideration.

Sincerely,

Helen S. Gilbert
