SOAH ORDER NO. 4
GRANTING AGREED MOTION TO ABATE PROCEDURAL SCHEDULE AND
DISCOVERY; CANCELING HEARING ON THE MERITS

On September 22, 2020, Crystal Clear Special Utility District filed an agreed motion to abate the procedural schedule and discovery. The motion explains that the outcome of SOAH Docket No. 582-20-4141, TCEQ Docket No. 2020-0411-MWD (TCEQ proceeding) could render this certificate of convenience and necessity (CCN) proceeding moot. A procedural schedule has not yet been adopted in the TCEQ proceeding.

The motion is **GRANTED**. This CCN proceeding is abated and the hearing on the merits set for January 11-12, 2021, is **CANCELED**. The parties **SHALL** file a status report notifying the Administrative Law Judge of the status of the TCEQ proceeding and its effect on this CCN proceeding promptly after such effect is known. In addition, the parties **SHALL** file such a status report **no later than July 1, 2021**.

The parties are reminded that SOAH Order No. 4 amended the style of this case to that set forth above.

SIGNED September 23, 2020.
