**STATUS REPORT AND AGREED MOTION TO CONTINUE IN ABEYANCE**

TO THE ADMINISTRATIVE LAW JUDGE:

On May 2, 2022, Crystal Clear Special Utility District (Crystal Clear) filed an agreed motion to abate the procedural schedule and discovery. The motion explains that the outcome of this immediate docket could be rendered moot depending upon the outcome of Texas Commission on Environmental Quality (TCEQ) Docket No. 2020-0411-MWD / SOAH Docket No. 582-20-4141 (TCEQ proceeding). On May 24, 2022, the State Office of Administrative Hearings (SOAH) administrative law judge (ALJ) issued SOAH Order No. 8 Continuing Abatement and Setting Deadline for Status Report, which set a deadline of November 1, 2022 to file a status report with updated information on the TCEQ proceeding and whether to continue the abatement. Therefore, this pleading is timely filed.

On June 14, 2021, the TCEQ issued its Final Order in the TCEQ proceeding. On July 2, 2021, the City of San Marcos (the “City”), Chris Carson and Carson Select Investments, LP (“Carson”) filed a Joint Motion for Rehearing, which has been overruled by operation of law. Additionally, both the City,<sup>1</sup> and Carson Select Investment, LP and Chris Carson<sup>2</sup> filed their

respective appeals of the TCEQ's Final Order. The TCEQ has appeared and answered in both of those appeals. The appeals are currently pending before the Travis County district court. As such, a determination of whether the instant docket has been rendered moot cannot be made at this time. Therefore, Crystal Clear respectfully requests that an order be issued to continue this docket in abeyance and to direct the parties to provide an additional status update on or before June 1, 2023. Crystal Clear has conferred with counsel for each party in this proceeding and is authorized to indicate that all parties agree to the continued abatement of this proceeding.

Respectfully submitted,
