GANADO TELEPHONE COMPANY, § PUBLIC UTILITY COMMISSION
INC.'S 2018 ANNUAL REPORT UNDER §
16 TAC § 26.407(e) § OF TEXAS

ORDER NO. 2
CLOSING PROJECT

This Order addresses the 2018 annual report filed by Ganado Telephone Company, Inc. on September 16, 2019. On January 29, 2020, Commission Staff filed its final recommendation that the Commission issue an order determining Ganado's earned rate of return as the rate of return recommended by Commission Staff and categorizing Ganado into Category 1. Under 16 Texas Administrative Code (TAC) § 26.407(f), Commission Staff must review the annual report, adjust for information filed by the utility, if necessary, and file a memorandum for the Commission's consideration regarding *its* determination of the appropriate earned rate of return. Under 16 TAC § 26.407(f), Commission Staff determines the appropriate earned rate of return and an order from the administrative law judge is unnecessary.

Docket Management will take no further action on this project and it is now closed.

Signed at Austin Texas the 9th day of June 2021.

PUBLIC UTILITY COMMISSION OF TEXAS
