ORDER NO. 4

**FINDING APPLICATION REMAINING INCOMPLETE AND DEFICIENT,
AND ESTABLISHING AN OPPORTUNITY TO CURE**

This Order addresses the September 20, 2019, application of Gum Island Utility and East Houston Utilities, Inc. dba Krebs Utilities for approval of a sale, transfer, or merger of facilities and certificate rights in Liberty County and Commission Staff's supplemental recommendation on administrative completeness.

The administrative law judge finds the application remaining incomplete and deficient. Under 16 Texas Administrative Code § 24.8(d), the Commission does not consider an application filed until it makes a determination that the application is administratively complete. Thus, at this time the application is not considered filed with the Commission.

On or before February 25, 2020, the applicants must supplement the application to cure the deficiencies as described in the February 11, 2020, memorandum by Patricia Garcia. Until the Commission receives and reviews the supplemental information, the application cannot proceed. The applicants must not issue notice until the application is deemed administratively complete.

On or before March 10, 2020, Commission Staff must file a supplemental recommendation regarding the administrative completeness of the application, along with a proposed procedural schedule, if appropriate.

Signed at Austin, Texas the 13th day of February 2020.
