DOCKET NO. 50041

APPLICATION OF NORTH CUSTER	§	PUBLIC UTILITY COMMISSION	2019: 23
ROAD PLANT TO OBTAIN A WATER	§		
CERTIFICATE OF CONVENIENCE	§	OF TEXAS	
AND NECESSITY IN COLLIN	§		
COUNTY			

ORDER NO. 3
FINDING APPLICATION INSUFFICIENT,
ESTABLISHING DEADLINES AND OPPORTUNITY TO CURE

This Order addresses the administrative completeness of the application filed on September 23, 2019, by North Custer Road Plant to obtain a water certificate of convenience and necessity in Collin County.

The administrative law judge finds the application is administratively incomplete and insufficient for further review in accordance with 16 Texas Administrative Code (TAC) § 24.8(b).

Under 16 TAC § 24.8(d), the Commission does not consider an application filed until it finds the application administratively complete. Thus, at this time the application is not considered filed with the Commission.

On or before February 7, 2020, North Custer must supplement the application to cure the deficiencies described in the memorandum of Patricia Garcia dated January 6, 2020. Until the Commission receives and reviews the supplemental information, the application cannot proceed. The applicant must not issue notice until the application is deemed administratively complete.

On or before March 6, 2020, Commission Staff must file a supplemental recommendation regarding the administrative completeness of the application, along with a proposed procedural schedule, if appropriate.

Signed at Austin, Texas the 9th day of January 2020.
