**ORDER NO. 5
FINDING APPLICATION INSUFFICIENT,
ESTABLISHING DEADLINES AND OPPORTUNITY TO CURE;
AND RESTYLING DOCKET**

This Order addresses the administrative completeness of the application of AIRW 2017-7, L.P. filed September 23, 2019, to obtain a water certificate of convenience and necessity in Collin County. On March 24, 2020, Commission Staff filed a second supplemental recommendation on administrative completeness, request to restyle docket and motion to require electronic service.

On December 6, 2019, AIRW supplemented the application and requested to change the name of the applicant from North Custer Road Plant to AIRW. AIRW included certificate of formation limited partnership from the Texas secretary of state.

The administrative law judge (ALJ) finds the application is administratively incomplete and insufficient for further review in accordance with 16 Texas Administrative Code (TAC) § 24.8(b). The ALJ restyles the current docket to *Application of AIRW 2017-7, L.P. to Obtain a Water Certificate of Convenience and Necessity in Collin County*.

Under 16 TAC § 24.8(d), the Commission does not consider an application filed until it finds the application administratively complete. Thus, at this time the application is not considered filed with the Commission.

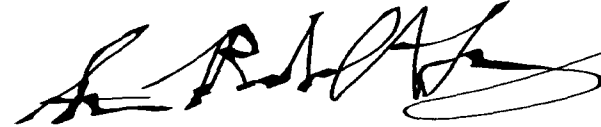

On or before May 20, 2020, AIRW must supplement the application to cure the deficiencies described in the memorandum of Patricia Garcia dated March 24, 2020. Until the Commission receives and reviews the supplemental information, the application cannot proceed. The applicant must not issue notice until the application is deemed administratively complete.

By June 10, 2020, Commission Staff must file a supplemental recommendation regarding the administrative completeness of the application, along with a proposed procedural schedule, if appropriate.

Commission Staff also moved to require service by electronic mail and to direct any party that has not previously provided an email address to file a notice informing the parties of the email address to be used for service. In light of the Commission's Order entered in Docket No. 50664, service by e-mail is authorized and all parties must provide an e-mail address for service of documents filed in this docket. Additionally, all parties must file any pleading or document with the Commission solely through the Interchange on the Commission's website and provide notice, by e-mail, to all other parties that the pleading or document has been filed with the Commission, unless otherwise ordered by the presiding officer. It will be incumbent upon all other parties to obtain a copy of the pleading or document by accessing the Interchange.

Signed at Austin, Texas the 29th day of April 2020.
