COMMISSION STAFF’S PROPOSED PROCEDURAL SCHEDULE

COMES NOW the Staff of the Public Utility Commission of Texas (Staff), representing the public interest, and files this proposed procedural schedule. In support thereof, Staff would show the following:

I. BACKGROUND

On September 27, 2019, Midway Water Utilities, Inc. (Midway), Double Diamond Utilities Co., and Double Diamond Properties Construction Co. (Double Diamond) (collectively, Applicants) filed an application for a transfer of assets and service area. Double Diamond seeks to sell the assets of water Certificate of Convenience and Necessity (CCN) Nos. 12087 and 13235 and sewer CCN No. 20705 and transfer the respective water and sewer CCNs to Midway. The application is filed pursuant to Texas Water Code (TWC) § 13.301 and 16 Texas Administrative Code (TAC) § 24.239. Additionally, Midway proposes to consolidate water CCN Nos. 12087 and 13235 into water CCN No. 12087.

On May 11, 2020, Order No. 9 was issued, approving the sale to proceed and requiring Staff file a recommendation regarding the sufficiency of the documents and propose a schedule for continued processing of this docket within fifteen days of the Applicants filing proof that the transaction was consummated. The Applicants filed said proof on July 2, 2020. Staff timely filed its recommendation on the sufficiency of the closing documents on July 15, 2020 but inadvertently omitted a proposed procedural schedule for continued processing of this docket. This pleading, therefore, is timely filed.

II. PROPOSED PROCEDURAL SCHEDULE

In accordance with Staff's recommendation filed July 15, 2020, Staff proposes the following procedural schedule:

Date	Event
Deadline for Staff to provide final maps, certificates, and tariffs (if applicable) to Applicants for review and consent	August 19, 2020
Deadline for Applicants to file signed consent forms with the Commission	September 2, 2020
Deadline for parties to jointly file a proposed Notice of Approval, including proposed findings of fact, conclusions of law and ordering paragraphs	September 16, 2020

III. CONCLUSION

Staff respectfully requests the issuance of an order consistent with the foregoing proposed schedule.

Dated: July 16, 2020

Respectfully submitted,
