Response to:

Project 52299
Senate Bill 3, 87th Legislature, Regular Session
Compliance Guidance - Texas Water Code (TWC) §13.1396

Location and General Description:

The Solar Village Homeowners Association (Solar Village HOA PWS 1330177), located at 100 Stacy Lane, Kerrville TX in Kerr County meets the definition of “affected utilities” under TWC §13.1394. The Solar Village HOA water system serves 15 homes located on approximately 16 acres. The water system serves only the 15 homes and does not have the capacity to expand. There are no septic systems associated with this water system. The 15 home owners all have their own septic system. There are no affiliates or assumed names associated with this water system. The distribution provides water directly from the pump house and there are no water meters at any of the homes. The Public Utility Commission (PUC) of Texas has established a monthly fixed rate for each home.
