**ORDER NO. 5
REQUESTING CLARIFICATION**

This Order addresses the need for clarification concerning Commission Staff's recommendation on final disposition of this docket. The administrative law judge notes that although the parties' joint motion to admit evidence filed on December 11, 2019 refers to Commission Staff's recommendation dated December 4, 2019 as being a recommendation on both final disposition and administrative completeness, the recommendation appears to only address administrative completeness and notice.

On or before January 21, 2020, Commission Staff must file a statement clarifying whether it intended for the December 4, 2019 recommendation to address final disposition of the docket, and must file a supplemental recommendation, if appropriate.

Signed at Austin, Texas the 14th day of January 2020.
