RE: Docket No. 50133 – *Application of Greenwood Water Corporation for Authority to Change Rates*, Request to Change Case Style

Dear Judge Pearson,

On October 28, 2019, Greenwood Water Corporation (Greenwood Water) applied for a Class D annual rate adjustment for its water customers. The matter was styled as a rate change case. Rather, Greenwood's application is seeking an annual rate adjustment under Texas Water Code § 13.1872.

Commission Staff requests that the style of the case be revised to reflect Greenwood's request for an annual rate adjustment. Specifically, Commission Staff requests that the style of the case be changed to read as follows: *Application of Greenwood Water Corporation for an Annual Rate Adjustment Under Texas Water Code § 13.1872*.

Staff respectfully requests adoption of the revised style to Docket No. 50133 as proposed above.

Sincerely,

A handwritten signature in black ink, appearing to read "Merritt Lander".
