APPLICATION OF TIMBERCREST	§	BEFORE THE STATE OFFICE
PARTNERS LLC FOR AUTHORITY TO	§	OF
CHANGE RATES	§	ADMINISTRATIVE HEARINGS

**REQUEST FOR RULING ON MOTION TO INTERVENE AND EXPEDITED
DEADLINE FOR FILING OF SETTLEMENT DOCUMENTS OR REQUEST FOR
HEARING**

Timbercrest Partners LLC (Timbercrest) files this Request for Ruling on OPUC's Unopposed Motion to Intervene and, in support thereof, respectfully shows as follows:

On January 17, 2020, Timbercrest filed an application with the Public Utility Commission of Texas (Commission) for authority to change its retail water and sewer rates under Texas Water Code (TWC) §§ 13.1871 and 13.1872(c)(2) and 16 Texas Administrative Code (TAC) §§ 24.25-.44. There were no protests or interventions filed in this case (other than the recently filed Unopposed Motion to Intervene filed by OPUC). After extensive discovery and delays, Staff and Timbercrest settled all matters last year in this case and final settlement documents were filed. This case has been on file for four years with no rate relief to Timbercrest.

OPUC has now been provided notice and intervened in this proceeding. It is counsels' understanding that OPUC will not oppose the Agreement. All documents have been prepared, filed and agreed to by Staff and Timbercrest. Timbercrest respectfully requests that the Commission grant the motion to intervene and issue an expedited deadline of 10 days for the parties to again file the final settlement documents noting OPUC's position, or request a hearing.

Respectfully submitted,

Shea & Associates, PLLC
