APPLICATION OF TIMBERCREST	§	PUBLIC UTILITY COMMISSION
PARTNERS LLC FOR AUTHORITY	§	
TO CHANGE RATES	§	OF TEXAS

**TIMBERCREST PARTNERS REQUEST FOR STATUS
CONFERENCE**

COMES NOW, Timbercrest Partners, LLC (“TCP”), and files this Request for Status Conference and in support thereof, respectfully shows as follows:

TCP filed this application to change rates over two years ago, on November 15, 2019. TCP has complied with all discovery requests and procedural requirements in this case. On July 12, 2021, the Administrative Law Judge abated this proceeding to allow the parties to attempt settlement before a State Office of Administrative Hearings (SOAH) ALJ. Since that time, the parties have not been contacted by an ALJ for mediation, nor has TCP been successful in attempting to facilitate a mediation. TCP understands that SOAH is extremely busy. However, each month that goes by without recovery of its revised rates, TCP is losing thousands of dollars. TCP would like a status conference to determine what, if any steps TCP can take in order to bring this matter to a conclusion and allow the ALJ to unabated this proceeding and issue a order setting a procedural schedule. Therefore, TCP respectfully requests that the ALJ schedule a status conference and grant all other relief, legal and equitable, to which it is justly entitled.

Respectfully submitted,
