- Water Rate Change
- Sewer Rate Change
- Both Water and Sewer Rate Change
- Other (please specify below) The water that y'all have been providing for our neighborhood is extremely dirty. It smells really bad and if it deposits small bits it smells like Clorox. All my light colored white clothes has gone to waste so I'm not okay w/ the fact that this company wants to raise up the price of the bill because we are getting filthy water in return.
