# Protesting increased water and sewer rates on Bolivar Peninsula

Bolivar sewer and water rates are scheduled to rise once again. State Representative Mayes Middleton has reached out to the Public Utility Commission and while they are unable to step in immediately, there is an appeals process.

In order to appeal the rate changes, we need 10% of customers to protest the rate hike. If you would like to protest the rate hikes, please fill out the attached form and mail 10 copies to the Public Utilities Commission.
