I wish to file a protest or intervention against a propose water rate increase by Undine Texas, LLC and Undine Texas Environmental, LLC for our area. Undine is asking for a 150% increase for the water base from \$35 to \$87.45, which is an annual increase of \$629.40. Base on $\frac{3}{4}$ " meter size, which almost all of our affected area is.

As seniors living on a more or less fixed income, this is quite a financial hit. I understand Undine may need some increase for maintenance, improvements, etc., but the proposed increase seems to be well out of line.

Thank you for your consideration.
