MOTION FOR PREHEARING CONFERENCE

This Motion for Prehearing Conference is brought by Sherry L. Hapney, Petitioner, who represents residents of Mayfair, who are customers of Undine.

Mayfair residents wish to oppose the rate increase for sewer that is currently \$85.85 and the proposed rate increase is \$131.65 per month. This is approximately a 53.35% increase. Currently the rate that we pay, \$85.85 is 66.75% of our monthly bill. This rate of \$131.65 would be 102% of our total bill which includes water, sewer, state fees, Care Share and Careflite.

We residents completed the Ratepayer Protest in December of 2019. We all feel that we cannot afford this rate increase as stated. Each resident is charged this flat fee for sewer regardless of usage. This does not seem fair to families who are struggling to make ends meet during this very complicated economy.

Mayfair residents pray that Undine Texas, LLC and Undine Texas Environmental, LLC do not raise our sewer rates to this degree.

Respectfully submitted,

Sherry L. Hapney, Representing residents of
