has filed a rate change application with the Public Utility Commission of Texas (Commission or PUCT). The application may be reviewed online at [interchange.puc.texas.gov](http://interchange.puc.texas.gov). You may also inspect a copy of the rate change application at your utility's office at the address below or at the Commission's office (1701 N. Congress Ave, Austin, TX 78701). The proposed rates will apply to service received after the effective date provided below, unless modified or suspended by the Commission. If the Commission receives a sufficient number of protests, separately or in a combined protest letter, from at least [number of] ratepayers (10 percent of the utility's customers over whose rates the Commission has original jurisdiction) or from any affected municipality before the 91st day after the proposed effective date, the matter will be set for hearing. **See Protest Form on the next page for instructions on how to protest.**

**EFFECTIVE DATE OF PROPOSED INCREASE:** January 24, 2020

(must be at least 35 days after notice is provided to customers and 35 days after application is filed)

(Proposed rates requested by the utility are not final. The Commission may modify the rates and order a refund or credit against future bills all sums collected during the pendency of the rate proceeding in excess of the rate finally ordered plus interest.)

**Reason(s) for Proposed Rate Change:**

Combining tariffs of recently acquired water and sewer systems and increasing revenue requirement to recover costs of improvements.
