PUBLIC UTILITY COMMISSION

OF TEXAS

AGREED REQUEST FOR EXTENSION

On November 6, 2019, the City of Wolfforth (City) and Aim Water Company, LLC (Aim) (collectively, the Applicants) filed an application with the Public Utility Commission of Texas (Commission) for the sale, transfer, or merger of facilities and certificate of convenience and necessity (CCN) rights in Lubbock County. As amended, the application seeks to transfer all of Aim's facilities and service area under water CCN No. 12526 to the City.

On March 10, 2021, Order No. 13 in this proceeding was filed, requiring the Applicants and Commission Staff (Staff) (collectively, the parties) to file joint proposed findings of fact and conclusions of law by April 16, 2021. Therefore, this pleading is timely filed.

I. REQUEST FOR EXTENSION

Under 16 Texas Administrative Code (TAC) § 22.4(b), the parties may request that the time allowed for filing any documents be extended for good cause. On March 25, 2021, Staff transmitted a proposed certificate and final map of the requested area to the Applicants for their consent. On April 1, 2021, the Applicants filed a response to Staff's proposed consent documents, declining consent, noting an inaccuracy in the proposed final map. On April 9, 2021, Staff transmitted a revised proposed final map and consent forms to the Applicants, along with a copy of the original certificate transmitted on March 25, 2021, for their further review and consent. In order to allow time for the Applicants to review and file revised signed consent forms in support of the revised proposed final map, original proposed certificate, and for the parties to draft a joint proposed notice of approval, the parties respectfully request that the deadline to file Applicant's signed revised consent forms and joint proposed findings of fact and conclusions of law with the Commission be extended until April 19, 2021 and April 23, 2021, respectively.

II. CONCLUSION

The parties respectfully request that the deadline to file Applicant's signed revised consent forms be extended until April 19, 2021, and the parties' joint proposed findings of fact and conclusions of law be extended until April 23, 2021.

Dated: April 14, 2021

Respectfully submitted,

PUBLIC UTILITY COMMISSION OF TEXAS LEGAL DIVISION

Rachelle Nicolette Robles
Division Director

Heath D. Armstrong
Managing Attorney
