**ORDER NO. 2  
FINDING APPLICATION INCOMPLETE AND DEFICIENT,  
AND ESTABLISHING AN OPPORTUNITY TO CURE**

This Order addresses the November 8, 2019, application of JRM Water LLC and CSWR-Texas Utility Operating Company, LLC for approval of the sale, transfer, or merger of facilities and certificates of convenience and necessity rights in Victoria County.

The administrative law judge finds the application incomplete and deficient. Under 16 Texas Administrative Code § 24.8(d), the Commission does not consider an application filed until it makes a determination that the application is administratively complete. Thus, at this time the application is not considered filed with the Commission.

On or before January 16, 2020, the applicants must supplement the application to cure the deficiencies as described in the December 16, 2019, memorandum by Nabaraj Pokharel. Until the Commission receives and reviews the supplemental information, the application cannot proceed. The applicants must not issue notice until the application is deemed administratively complete.

On or before January 30, 2020, Commission Staff must file a supplemental recommendation regarding the administrative completeness of the application, along with a proposed procedural schedule, if appropriate.

**Signed at Austin, Texas the 19<sup>th</sup> day of December 2019.**
