DOCKET NO. 50271

APPLICATION OF THE CITY OF §
MIDLAND TO AMEND ITS §
CERTIFICATES OF CONVENIENCE §
AND NECESSITY IN MARTIN AND §
MIDLAND COUNTIES §

PUBLIC UTILITY COMMISSION
OF TEXAS

**ORDER NO. 10
ADMITTING ADDITIONAL EVIDENCE**

This Order addresses the need to admit supplemental evidence. On December 17, 2020, the City of Midland filed corrections or exceptions to the attachments included with the Proposed Order filed on December 8, 2020. On December 21, 2020, Commission Staff also filed corrections or exceptions to the attachments included with the Proposed Order. Specifically, both parties seek correction of the maps included with the Proposed Order as they list Martin and Medina counties as affected counties. The correct counties should instead reflect Martin and Midland counties as affected counties. The administrative law judge admits into evidence the corrected maps listing Martin and Midland counties as affected counties attached to Commission Staff's December 21, 2020 filing.

Signed at Austin, Texas the 29 day of December 2020.
