**Re: Request for Extension - Docket No. 50271
Application to Amend Water and Sewer CCNs
City of Midland
Water CCN 10221 and Sewer CCN 20083**

Dear Sir / Madam:

A deadline of March 3, 2020 was established for the City of Midland to file signed affidavits that the notice was provided, along with a copy of the notice and map sent to affected parties, and published in a newspaper of general circulation per Docket No. 50271, Order No. 3. Finding Application Administratively Complete; Requiring Notice; and Establishing a Procedural Schedule. This letter serves as a 60-day extension request to the deadline of March 3, 2020 until May 2, 2020. A 60-day extension from the deadline, until May 2, 2020, is respectfully requested. This extension request is provided prior to the deadline. This request is provided by an authorized representative of the applicant - the Applicant's Contact (Consultant), as listed in the Application to Amend the Water and Sewer Certifications of Convenience and Necessity (CCNs) for the City of Midland (City), Section 1, Part A: Applicant Information, Contact Information block. This request for extension is necessary to allow additional time for the City to obtain the customer names and address information for the mailings and for the Consultant to prepare the mailings. It appears that there may be nearly 8,000 customers/affected parties.

Ten (10) copies (the original and nine copies) of this request are enclosed. One copy of the e-filing sheet is enclosed as the top sheet with the submittal. Please feel free to contact me with any questions or comments via telephone at 325/698-5560, via email at luci.dunn@e-ht.com, or in writing at the Abilene Office address listed below.

Sincerely,

Enprotec / Hibbs and Todd, Inc.
