ORDER NO. 4
GRANTING EXTENSION AND REVISING DEADLINES

This Order addresses the City of Midland's February 18, 2020, request to extend the deadline to file proof of notice. Midland states that additional time is required to obtain customer name and address information. Further, it appears there may be nearly 8,000 customers and affected parties, and a considerable extension of time is needed.

The administrative law judge grants Midland's request for extension. The following procedural schedule applies:

Deadline for the City of Midland to file signed affidavits that the notice was provided, along with a copy of the notice and map sent to the affected parties, and published in a newspaper of general circulation	May 2, 2020
Deadline for Commission Staff to file a recommendation on sufficiency of notice	Within 10 days of applicant filing proof of completed notice with the Commission
Deadline to intervene	30 days after notice is issued

Signed at Austin, Texas the 21ST day of February 2020.
