Re: Report of Transaction Status for Docket 50319 Application of SWWC Utilities, Inc. dba Water Services, Inc. and Monarch Utilities I LP for Sale Transfer, or Merger of Facilities and Certificate Rights in Bandera, Bexar, Comal, Gillespie, Guadalupe, Hays, Kendall, Kerr, and Medina Counties

Report of Transaction Status Number 1

To the Commission:

Ordering Paragraph 8 of Order Number 9 issued in this Docket on November 4, 2020 requires the applicants to file monthly updates regarding the status of the closing. The company is still working to complete all preliminary actions needed to complete the transaction, and thus reports that it has not been completed as of this date. We do expect it to be completed well before the deadline set in the Order.

Please contact me if any additional information is required at this time.

Sincerely,
