Re: *Application of Monarch Utilities I L.P. for Authority to Change Rates, PUC Docket No. 50944; Application of SWWC Utilities, Inc. d/b/a Water Services, Inc. and Monarch Utilities I L.P. for Sale, Transfer, or Merger of Facilities and Certificate Rights in Bandera, Bexar, Comal, Gillespie, Guadalupe, Hays, Kendall, Kerr, and Medina Counties, PUC Docket No. 50319*

Dear Central Records:

On pages 13–19 and 47 of the interim rates tariff in Docket No. 50944, Monarch mistakenly identified Oak Village North as being charged the applicable Monarch rates. However, the service area of Oak Village North is entirely within Bulverde, Texas city limits and therefore is not subject to Monarch's interim rates from the proceeding in Docket No. 50944. Monarch did not charge the interim rates to Oak Village North, but makes this filing to identify that Oak Village North was incorrectly named on the interim rates tariff.

If you have any questions, please do not hesitate to contact our office.

Yours truly,

William "Cody" Faulk, III  
Attorney for Monarch Utilities I L.P.
