AGREED REQUEST FOR EXTENSION

On December 6, 2019, County Line Special Utility District (County Line) filed an application for a sewer certificate of convenience and necessity in Hays and Caldwell counties under Texas Water Code §§ 13.242–.250 and 16 Texas Administrative Code (TAC) §§ 24.225–.237. The requested area consists of approximately 17,942 acres, 2 existing connections, and 24,100 future connections.

On January 19, 2021, Order No. 8 was filed, requiring the Staff of the Public Utility Commission of Texas (Staff) and County Line to file briefings as to whether they are currently in agreement regarding the proposed service area for this docket or to request a hearing by February 19, 2021. This pleading, therefore, is timely filed.

I. REQUEST FOR EXTENSION

Under 16 TAC § 22.4(b), Staff may request that the time allowed for filing any documents be extended for good cause. Staff and County Line are actively negotiating to determine if an agreement can be reached regarding the proposed service area. As such, Staff requests that the deadline to file briefing or request a hearing be extended to March 19, 2021.¹ Staff has conferred with County Line on this request, and County Line supports the request.

II. CONCLUSION

Staff respectfully requests the issuance of an order consistent with the foregoing request.

Dated: February 18, 2021

¹ Unlike other types of proceedings, there is no applicable statutory deadline for a proceeding to amend a water or sewer CCN unless the amendment will result from a sale, transfer, or merger.

Respectfully Submitted,
