APPLICATION OF GRISTMILL	§	PUBLIC UTILITY COMMISSION
UTILITY COMPANY, LLC TO OBTAIN	§	
A SEWER CERTIFICATE OF	§	OF TEXAS
CONVENIENCE AND NECESSITY IN	§	
HAYS COUNTY	§	

ORDER NO. 2
FINDING APPLICATION INSUFFICIENT,
ESTABLISHING DEADLINES AND OPPORTUNITY TO CURE

This Order addresses the administrative completeness of the application filed on December 6, 2019, by Gristmill Utility Company, LLC to obtain a sewer certificate of convenience and necessity in Hays County.

The ALJ again finds the application is administratively incomplete and insufficient for further review in accordance with 16 Texas Administrative Code (TAC) § 24.8(b).

Under 16 TAC § 24.8(d), the Commission does not consider an application filed until it finds the application administratively complete. Thus, at this time the application is not considered filed with the Commission.

On or before February 10, 2020, County Line must supplement the application to cure the deficiencies described in Greg Charles' January 10, 2020 memorandum. Until the Commission receives and reviews the supplemental information, the application cannot proceed. The applicant must not issue notice until the application is deemed administratively complete.

On or before March 10, 2020, Commission Staff must file a supplemental recommendation regarding the administrative completeness of the application, along with a proposed procedural schedule, if appropriate.
