**NOTICE FINDING APPLICATION ADMINISTRATIVELY  
COMPLETE AND NOTICE SUFFICIENT**

This Notice addresses the application filed on December 9, 2019, by T & W Water Service for approval of a proposed pass-through rate change. On April 17, 2020, Commission Staff recommended that the application be found administratively complete and notice sufficient because T & W's application contains all of the necessary information required by 16 Texas Administrative Code § 24.25(b)(2)(F) and the affected customers have been appropriately informed of the proposed rate change.

The administrative law judge finds T & W's application administratively complete and notice sufficient.
