ORDER NO. 14
APPROVING NAME CHANGE AND FINDING NO ADDITIONAL NOTICE
REQUIRED

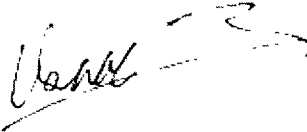

This Order addresses Commission Staff's response to Order No. 13 requiring clarification on whether, in light of the Texas Commission on Environmental Quality's order approving the applicant's conversion to a special utility district, the applicant's name change from Nevada Water Supply Corporation to Nevada Special Utility District can be approved in this docket or if it must be approved in Docket No. 49548¹ and whether notice of this proceeding is sufficient notice of Nevada SUD's conversion.

The administratively law judge approves the applicant's name change from Nevada Water Supply Corporation to Nevada Special Utility District and finds no additional notice is required.

The procedural schedule adopted in Order No. 12 remains in effect.

Signed at Austin, Texas the 16th day of April 2021.
