PUBLIC UTILITY COMMISSION
FILING CLERK

ORDER NO. 2
FINDING APPLICATION INSUFFICIENT, AND
ESTABLISHING DEADLINES AND OPPORTUNITY TO CURE

This Order addresses the administrative completeness of the application filed on December 30, 2019, by Nevada Special Utility District to amend its water certificate of convenience and necessity and to decertify portions of certificated water service areas of Caddo Basin Special Utility District, Copeville Special Utility District, and City of Josephine in Collin County.

The administrative law judge finds the application is administratively incomplete and insufficient for further review in accordance with 16 Texas Administrative Code (TAC) § 24.8(b).

Under 16 TAC § 24.8(d), the Commission does not consider an application filed until it finds the application administratively complete. Thus, at this time the application is not considered filed with the Commission.

On or before February 28, 2020, Nevada SUD must supplement the application to cure the deficiencies described in the memorandum of Greg Charles dated January 30, 2020. Until the Commission receives and reviews the supplemental information, the application cannot proceed. The applicant must not issue notice until the application is deemed administratively complete.

4

On or before March 30, 2020, Commission Staff must file a supplemental recommendation regarding the administrative completeness of the application, along with a proposed procedural schedule, if appropriate.

Signed at Austin, Texas the 3rd day of February 2020.
