TO THE PUBLIC UTILITY COMMISSION OF TEXAS:

COMES NOW, Sterling Deason O'Donnell and Darwin Deason, Co-Trustees of the Sterling Deason O'Donnell DD 2012 Trust under agreement of the DD 2014-B Grantor Retained Annuity Trust Dated September 5, 2012 ("Petitioner"), and files this First Amended Petition with the Public Utility Commission of Texas (the "PUC") for expedited release from Certificate of Convenience and Necessity ("CCN") No. 10150, held by Marilee Special Utility District ("Marilee SUD") pursuant to (i) Texas Water Code Section 13.2541; and (ii) Rule 24.245(h) of the PUC's Rules found at 16 Tex. Admin. Code Section 24.245; and in support thereof would respectfully show as follows:

I. APPLICABLE REGULATIONS

Section 13.2541 of the Texas Water Code provides that the owner of a tract of land that is at least 25 acres and that is not receiving water or sewer service may petition for expedited

release of the area from a CCN.¹ For land that is located within a county with a population of at least one million, or a county adjacent to a county with a population of at least one million, the owner of the qualifying tract “is entitled to that release.”² The rule adopted by the PUC pursuant to Section 13.2541 provides the same³, and Collin County is a county in which owners of at least 25 acres are entitled to expedited release because it is adjacent to Dallas County, which has a population of at least one million. Under Section 13.2541(c), the PUC “shall grant a petition not later than the 60th day after the date the landowner files the petition.”⁴

II. REQUEST FOR EXPEDITED RELEASE

Petitioner owns approximately 259.504 acres of contiguous property in Collin County (the “Property”). All of the Property is within the boundaries of Water CCN No. 10150, held by Marilee SUD. None of the Property receives service from any water or sewer service provider. An Affidavit in support of this Petition is attached hereto as Exhibit “A.” A general location map, a detailed map, and a metes and bounds description of the Property are attached hereto as Exhibits “B-1,” “B-2,” and “B-3.” Additional files containing polygon shapefiles of the Property will be submitted as separate files simultaneously with the filing of this First Amended Petition. A deed showing ownership of the Property is attached hereto as Exhibit “C.”

III. CONCLUSION AND PRAYER

Texas Water Code Section 13.2541 entitles Petitioner to expedited release of the Property described herein. The Property is greater than 25 acres, is not receiving water or sewer service, and is entirely within Collin County. Under Section 13.2541, the PUC should grant this Petition no later than the 60th day after the date of filing. Petitioner respectfully requests that the PUC
