# *Public Utility Commission of Texas*

## **Commissioner Memorandum**

2020 OCT 15 AM 9:00

**TO:** Commissioner Arthur C. D'Andrea  
Commissioner Shelly Botkin

**FROM:** Chairman DeAnn T. Walker

*DTW*

**DATE:** October 15, 2020

**RE:** October 16, 2020 Open Meeting – Item No. 25

Docket No. 50405 – *Petition of Sanctuary Texas, LLC to Amend Aqua Texas, Inc.'s Certificate of Convenience and Necessity in Denton County by Expedited Release.*

---

I recommend that the Commission make the following changes to the proposed order in this proceeding.

Two new findings of fact should be added before proposed finding of fact 21 under the *Water Service* heading to support the Commission's determination. Subsequent findings of fact should be renumbered.

X. Aqua Texas has a residential 5/8" x 3/4" water meter located on the tract for which expedited release is sought.

X. The tract was receiving water service until January 29, 2020 through the water meter committed to the tract.

Finally, I propose delegating to the Office of Policy and Docket Management staff the authority to modify the order to conform to the *Citation and Style Guide for the Public Utility Commission of Texas* and to make other non-substantive changes to the order for such matters as capitalization, spelling, grammar, punctuation, style, correction of numbering, and readability.

I look forward to discussing this matter with you at the open meeting.
