ORDER NO. 2
FINDING APPLICATION INCOMPLETE AND DEFICIENT,
AND ESTABLISHING AN OPPORTUNITY TO CURE

This Order addresses the application of Johnson Water Service and SP Utility Company, Inc. for approval of the sale, transfer, or merger of facilities and certificate of convenience and necessity rights in Brazoria County.

The administrative law judge finds the application incomplete and deficient. Under 16 Texas Administrative Code § 24.8(d), the Commission does not consider an application filed until it makes a determination that the application is administratively complete. Thus, at this time the application is not considered filed with the Commission.

On or before March 9, 2020, the applicants must supplement the application to cure the deficiencies as described in the February 7, 2020, memorandum by Elisabeth English. Until the Commission receives and reviews the supplemental information, the application cannot proceed. The applicants must not issue notice until the application is deemed administratively complete.

On or before April 8, 2020, Commission Staff must file a supplemental recommendation regarding the administrative completeness of the application, along with a proposed procedural schedule, if appropriate.

Signed at Austin, Texas the 10th day of February 2020.
