Re: Docket 50424 - Application of Monarch Utilities I L.P. and Goins Utility Service LLC for Sale Transfer, or Merger of Facilities and Uncertificated Area in Polk County

Applicant's Affidavit that No 25 acre or Greater Tracts are in the Proposed Service area.

To the Commission:

The Commission staff's recommendation on Sufficiency of Notice issued on August 25, 2020 requested the entry of an order finding the Applicants' notice sufficient, contingent upon the Applicants filing a sworn statement confirming that notice was sent to each owner of a tract of land that is at least 25 acres or that no such landowners exist.

Attached is the executed Affidavit that there are no tracts of land that are at least 25 acres or greater wholly or partly located within the proposed areas of certification and no such landowners exist.

Please contact me if any additional information is required at this time.

Sincerely,

/s/ *George Freitag*
