COMMISSION STAFF'S REQUEST FOR CLARIFICATION

COMES NOW the Staff of the Public Utility Commission of Texas (Staff), representing the public interest, and files this Request for Clarification in response to Order No. 3.

On February 18, 2020, Staff filed its Recommendation on the Application and Notice, recommending that the application be found administratively complete, that notice be found sufficient, and that MSEC's application for a pass-through rate change be approved. Staff attached the revised tariff implementing the rate change to its recommendation.

On March 10, 2020, the administrative law judge (ALJ) issued Order No. 3, finding the application administratively complete and notice sufficient. However, the ALJ did not address whether the pass-through rate change application was approved. Therefore, Staff respectfully requests a clarification to Order No. 3 to determine if the ALJ intends to approve MSEC's application for a pass-through rate change.

Staff respectfully requests the issuance of an order approving the pass-through rate change.

Dated: March 11, 2020

Respectfully submitted,
