EL PASO ELECTRIC COMPANY

SCHEDULE NO. MRCF MERGER RATE CREDIT FACTORAPPLICABILITY

This Merger Rate Credit Factor ("MRCF") is applicable to all customers taking service under a retail rate schedule.

In compliance with the Settlement Agreement and Final Order in Docket No. 49849, El Paso Electric Company (EPE) will issue a merger rate credit to customers of \$21 million over a 36-month period based on a commitment in the merger agreement between EPE and Sun Jupiter Holdings LLC ("Sun Jupiter").

Customers entering the Company's system during the refund period will receive the rate credit in billings from their entry date. Customers leaving the Company's system during the rate credit period will receive the credit through their exit date within the timeframe allocated in this schedule.

TERRITORY

Texas service area

TERM

The Merger Rate Credit Factor will be reflected on customer bills over a period of 36 months.

MONTHLY RATE FACTOR

The MRCF is calculated as a kilowatt hour (kWh) credit factor multiplied by the billed energy component of the customer bill. The resulting merger rate credit amount will appear as a separate line item on the customer monthly bill and shall be titled "Merger Rate Credit".
