Subject: **Project No. 50500** - *Designation of Electric Providers of Last Resort for 2021 – 2022 Pursuant to 16 Tex. Admin. Code § 25.43 and Submission of LSP EFLs*

Provider of Last Resort- Revision to POLR List

Commission Staff is providing the attached revised list of Providers of Last Resort (POLRs) to remove Our Energy, LLC (Our Energy), REP Certificate No. 10170, from being designated as a POLR for the remainder of the 2021 — 2022 term:

On January 14, 2021, Our Energy filed a letter in Project 50500 stating that they have agreed to transfer all their customers to another REP by February 28, 2021 and are no longer enrolling new customers. Our Energy plans to relinquish their REP Certificate once all their obligations are met. They stated they no longer meet the eligibility requirements to provide POLR service and requested the Commission to relieve them of the requirement to provide POLR service. Commission Staff agrees that Our Energy no longer meets the eligibility requirements to provide POLR service.

As Our Energy no longer meets the requirements to provide POLR service in the designated area, Commission Staff has revised the POLR list on the Commission's website to remove Our Energy from being designated as a POLR provider for the remainder of the 2021 — 2022 POLR term.

Questions regarding this revision may be directed to Kenneth Ford at (512) 936-7151
