**ORDER NO. 2
FINDING APPLICATION ADMINISTRATIVELY INCOMPLETE AND PROVIDING
OPPORTUNITY TO CURE**

This Order addresses Munson Point’s application for a pass-through rate change related to the water use fee imposed by the City of Denison.

The administrative law judge (ALJ) finds that the application fails to provide sufficient information to allow the Commission to properly review the application under 16 Texas Administrative Code (TAC) § 24.25(b)(2)(F). Accordingly, the ALJ finds the application administratively incomplete.

No later than April 2, 2020, Munson Point must file supplemental information to cure the deficiencies in the application and provide corrected notice of the application to customers, as detailed in the memorandum of Spencer English dated March 3, 2020, and must file in this docket a copy of the notice provided, along with a statement confirming that notice was provided.

Signed at Austin, Texas the 10th day of March 2020.
