**ORDER NO. 3
FINDING APPLICATION INSUFFICIENT, AND
ESTABLISHING DEADLINES AND OPPORTUNITY TO CURE**

This Order addresses the application of SP Utility, Inc. filed on February 12, 2020, to amend its water certificate of convenience and necessity (CCN) number 12978 and for dual certification with Drew T. Spencer dba Cypresswood Estates in Montgomery County.

The administrative law judge continues to find the application administratively incomplete and insufficient for further review in accordance with 16 Texas Administrative Code (TAC) § 24.8(b).

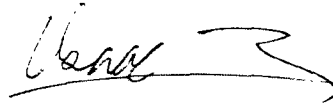

Under 16 TAC § 24.8(d), the Commission does not consider an application filed until it finds the application administratively complete. Thus, at this time, the application is not considered filed with the Commission.

On or before June 8, 2020, SP Utility must supplement the application to cure the deficiencies described in the memorandum of Patricia Garcia attached to Commission Staff's supplemental recommendation filed on May 8, 2020. Until the Commission receives and reviews the supplemental information, the application cannot proceed. The applicant must not issue notice until the application is deemed administratively complete.

On or before July 8, 2020, Commission Staff must file a supplemental recommendation regarding the administrative completeness of the application, along with a proposed procedural schedule, if appropriate.

Signed at Austin, Texas the 12th day of May 2020.
