**ORDER NO. 5
FINDING NOTICE SUFFICIENT AND
ESTABLISHING PROCEDURAL SCHEDULE**

This Order addresses the sufficiency of the notice provided by County Line Special Utility District. On August 11 and 31, 2020, County Line submitted proof that notice of the application was provided by filing signed affidavits attesting that a copy of notice was provided, along with a map, to neighboring utilities and other affected parties and that notice of the application was published in a newspaper of general circulation in Hays and Caldwell counties for two consecutive weeks.

The administrative law judge finds the notice sufficient and substantially in compliance with 16 Texas Administrative Code § 24.235(b).

The following procedural schedule applies:

Deadline for intervention	September 4, 2020

Deadline for applicant and Polonia Water Supply Corporation to file signed consent forms with the Commission	October 16, 2020
If no hearing is requested, deadline for Commission Staff to file a final recommendation on the application	October 30, 2020
If no hearing is requested, deadline for parties to file joint proposed findings of fact and conclusions of law	November 13, 2020

Signed at Austin, Texas the 15th day of September 2020.
