**Re: Docket No. 50563
Request for Extension
City of Alton CCN Expansion**

To Whom it May Concern,

We are writing to request an extension to provide corrections to the documents of this case. We did not receive the notice sent on March 18th which outlined the required corrections, and need additional time to provide this information.

We understand the deadline for these corrections has elapsed, but that staff involved with this case have indicated their support for the extension request.

Please feel free to call or email with any questions or to discuss.

Sincerely,

A handwritten signature in black ink, appearing to read "Chris Franke".
