**ORDER NO. 7
GRANTING EXTENSION REQUEST**

This Order addresses Commission Staff's August 26, 2020, request to extend the deadline to file a supplemental recommendation on the application and notice. Commission Staff stated that a discovery request has been issued to MSEC Waste Water, Inc. to obtain additional information needed to make a recommendation on administrative completeness. MSEC objected to the request. On August 17, 2020, Commission Staff filed a motion to compel MSEC to respond to its discovery request and MSEC subsequently filed a response to Commission Staff's motion to compel on August 17, 2020. No ruling has been made on the motion to compel. Commission Staff requests that the deadline for to file its comments on the administrative completeness of the application and notice be extended.

The administrative law judge grants Commission Staff's request for extension. Commission Staff must file, by September 24, 2020, a supplemental recommendation on the application and notice.

Signed at Austin, Texas the 27th day of August 2020.
