PUBLIC UTILITY COMMISSION
OF TEXAS

**ORDER NO. 8
GRANTING REQUEST TO ABATE DISCOVERY AND GRANTING EXTENSION
REQUEST**

This Order addresses MSEC Waste Water, Inc.'s request to withdraw its motion to abate discovery filed on October 12, 2020. The administrative law judge (ALJ) grants the request.

On October 22, 2020, Commission Staff filed a request for extension to file its supplemental recommendation on administrative completeness because more time is needed to review MSEC's response to the requests for information. The ALJ orders that Staff evaluate and recommend based only on the administrative completeness of MSEC's application as a Class D utility.

The ALJ grants the request for extension. On or before November 6, 2020, Commission Staff must file a supplemental recommendation on the application and notice of MSCE's application as a Class D utility.

Signed at Austin, Texas the 23rd day of October 2020.
