DOCKET NO. 50569

APPLICATION OF MSEC WASTE § PUBLIC UTILITY COMMISSION
WATER, INC. FOR AUTHORITY TO §
CHANGE RATES § OF TEXAS

ORDER NO. 11
RECOGNIZING AMENDED MEMORANDUM

This Order addresses Commission Staff's November 24, 2020 response to Order No. 10. Order No. 10 required Commission Staff to provide comment on why forms 1096 and 1099 are insufficient or amend its memorandum. Commission Staff stated that its request for these forms was made in error, and provided an amended memorandum from Leila Guerrero, Stephen Mendoza, and Emily Sears, of the Commission's Rate Regulation Division.

The administrative law judge acknowledges that forms 1096 and 1099 are no longer required. On or before November 30, 2020 MSEC Waste Water, Inc. must provide the information requested in the amended memorandum. The ALJ notes that a filing was made by MSEC on November 24, 2020 that may cure the deficiencies of the application. On or before December 21, 2020, Commission Staff must file a supplemental recommendation regarding administrative completeness, along with a proposed procedural schedule, if appropriate. The effective date of the proposed rate change is still suspended as ordered in Order No. 10.

Signed at Austin, Texas the 3rd day of December 2020.
