**ORDER NO. 11
FINDING APPLICATION SUFFICIENT, REQUIRING NOTICE, SUSPENDING
EFFECTIVE DATE, AND ESTABLISHING PROCEDURAL SCHEDULE**

This Order addresses the application of MSEC Waste Water, Inc. filed for a rate change for its sewer customers. On December 21, 2020, Commission Staff filed a supplemental recommendation on administrative completeness and proposed a procedural schedule for continued processing.

The administrative law judge (ALJ) finds the application administratively complete and sufficient for further review.

The ALJ directs MSEC to provide notice that complies with Commission Staff's recommendation. The effective date of the proposed rate change is still suspended as ordered in Order No. 10.

The procedural schedule proposed by Commission Staff is adopted as follows:

Event	Date
Deadline for MSEC to file with the Commission proof of notice in compliance with 16 Texas Administrative Code § 24.27(b)(5)	January 8, 2021
Deadline for Commission Staff to file a recommendation on the sufficiency of notice and propose a procedural schedule for further processing	January 22, 2021

Signed at Austin, Texas the 28th day of December 2020.
