Re: Docket # 50585; Application for Transfer of Portions of Polonia Water Supply Corporation's CCN to the City of Lockhart's CCN; Regarding Revisions to the Large-Scale and Small-Scale Maps to show Acquisition of Portions only in Polonia Water Supply Corporation's CCN, Removing Unacquired Areas from the City of Lockhart's Request

Dear Mr. Horton:

The City of Lockhart, Texas (the "City") and Polonia Water Supply Corporation ("PWC") previously executed an agreement for the transfer and sale of a certain portion of PWC's service area (the "Agreement") and submitted the same with the Application on February 24, 2020.

The City understands that it would be difficult to pursue acquisition of both portions of PWC's CCN and Unacquired CCN without request for service in these unacquired areas. At this time the City has had no request for service in these unacquired CCN portion near our service area, for that reason we will not be pursuing their acquisition at this time.

The Revised Large-Scale and Small-Scale Maps represents only areas of territory to acquire from PWC (10420) to the City (10295). The revisions to the maps also address the need to remove all other boundaries including city limits and other CCNs. Seven (7) copies of the maps along with seven copies of electronic storage media containing digital mapping data has also been sent to the Filing Clerk at the Public Utility Commission.

Please let me know if you have any questions or need additional information regarding this matter. Thank you for your time and attention to this matter.

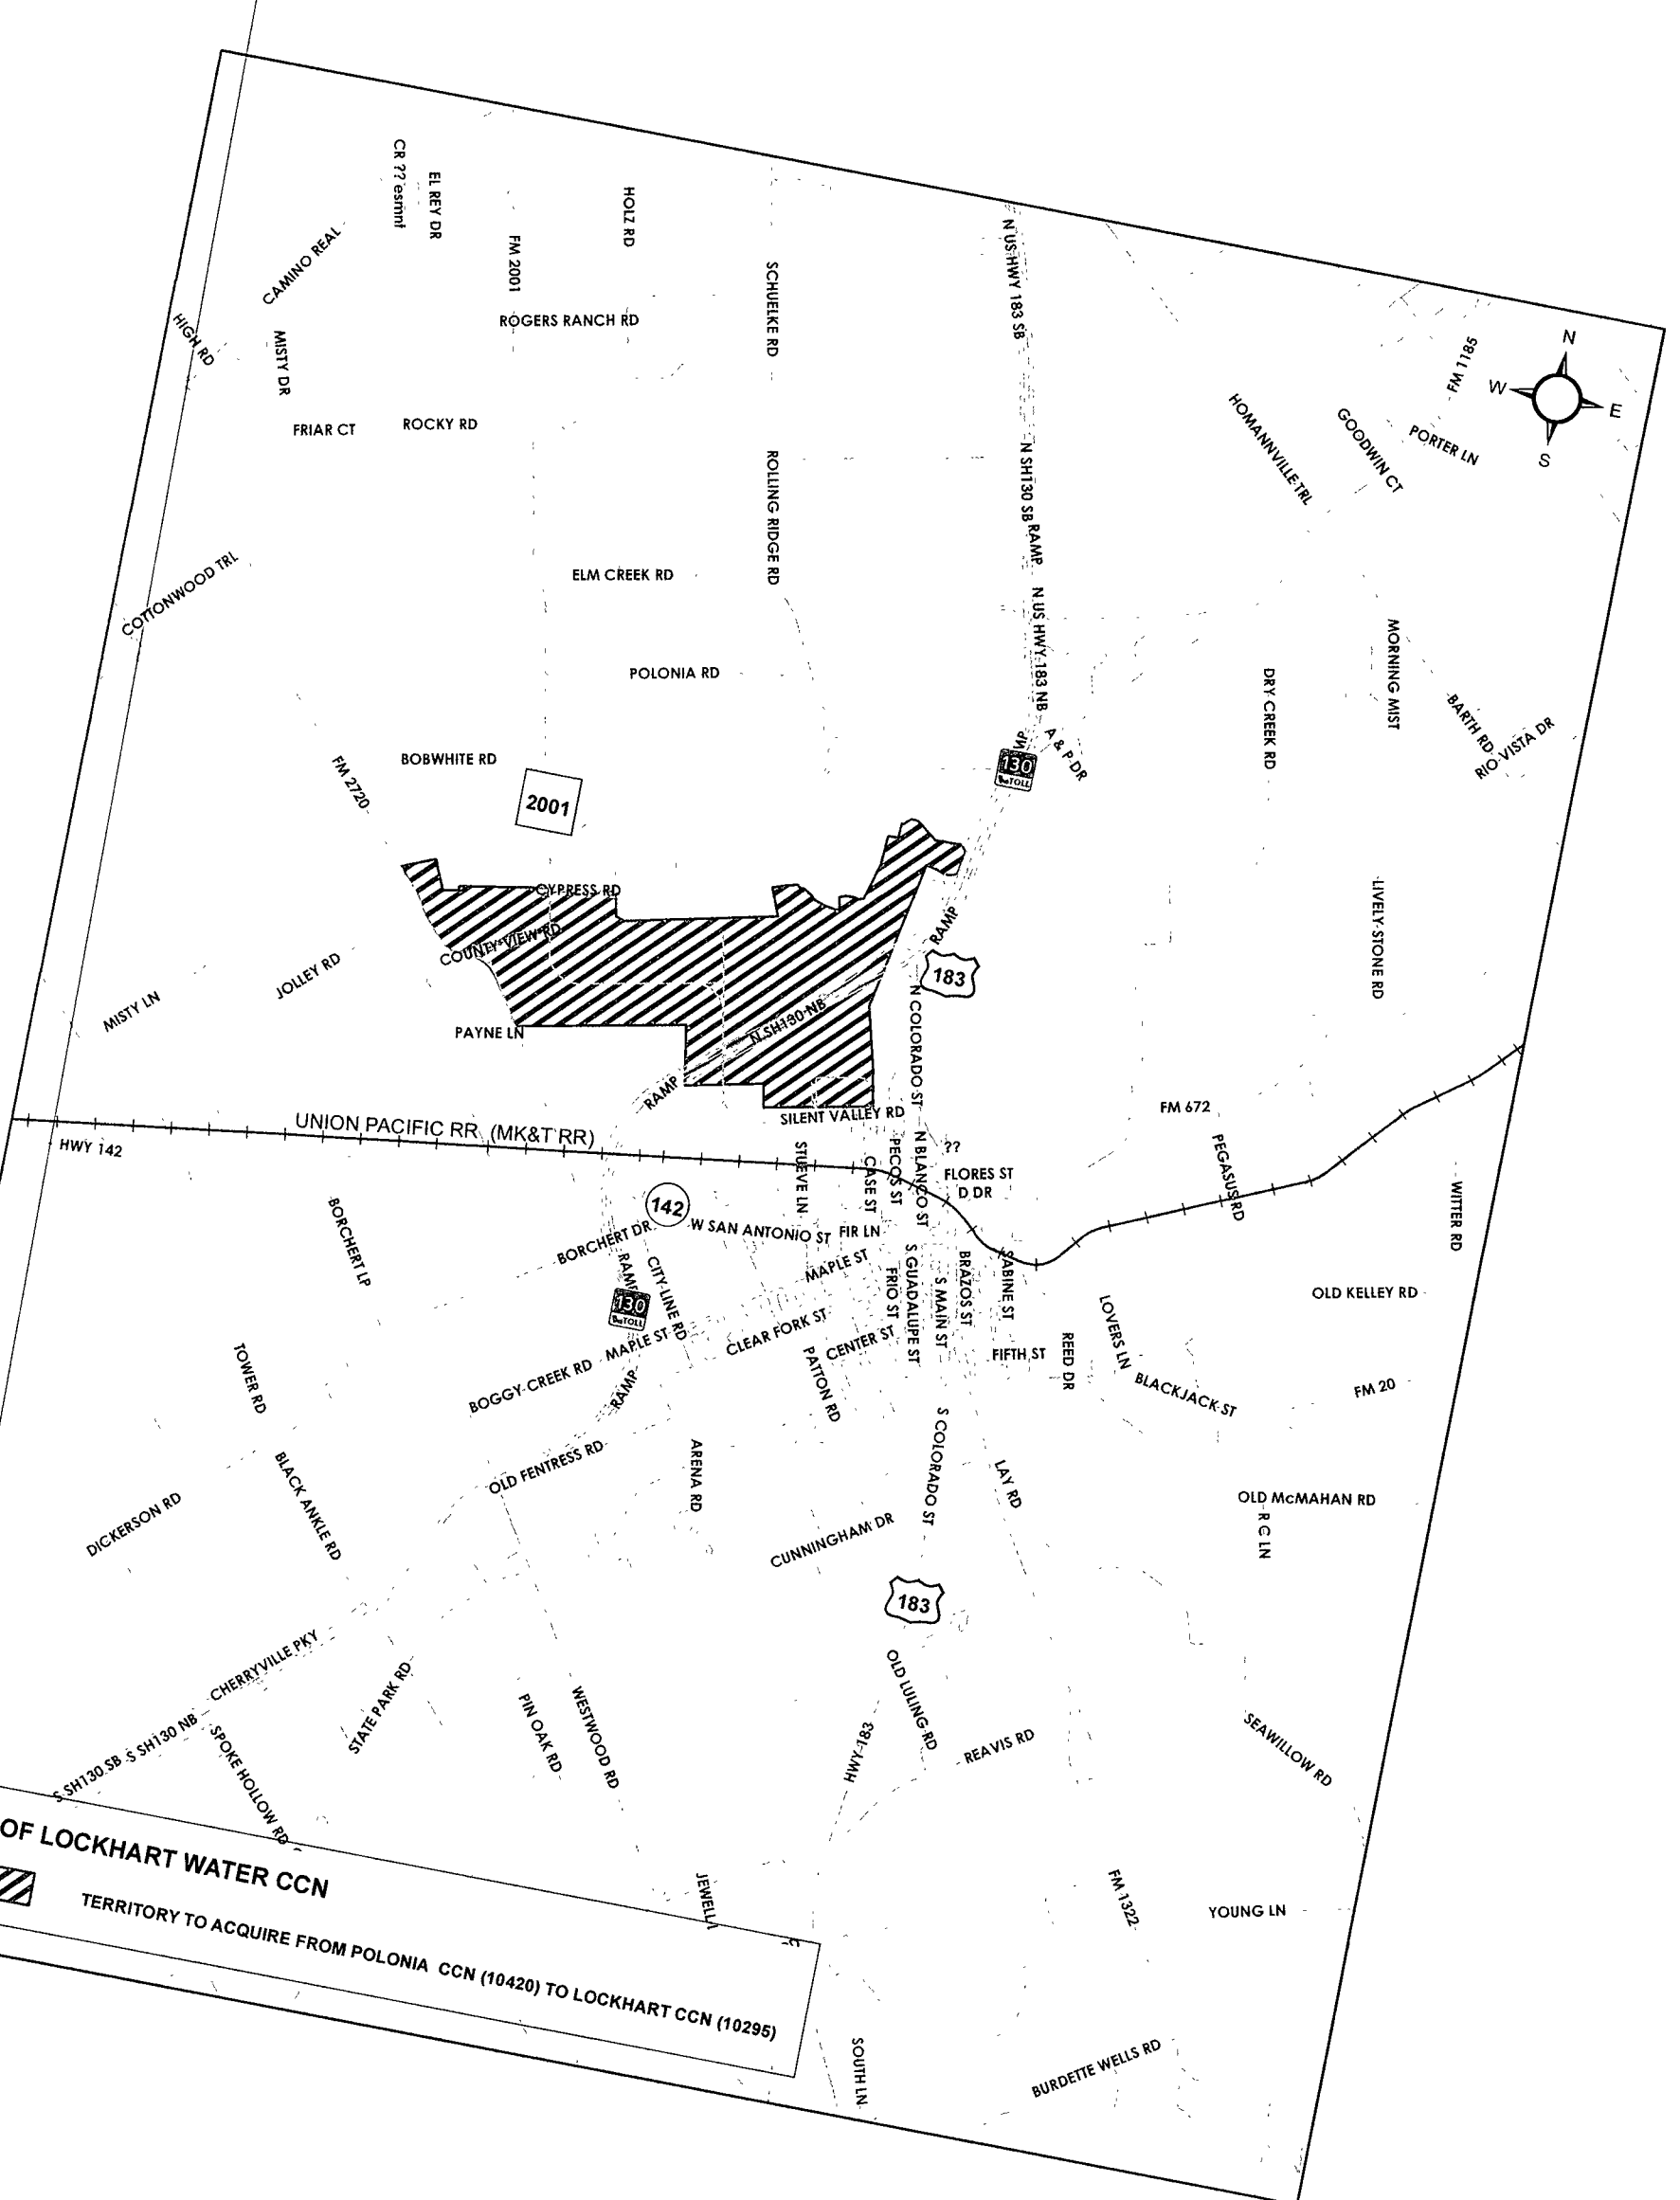

Sincerely,

Sean Kelley
Public Works Director
City of Lockhart

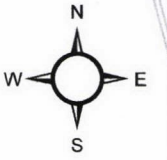

Cc: Monte Akers, City Attorney
